

# I KETUT KRISHNA MAHENDRA PUTRA

Denpasar, Bali | (+62) 89-537-924-5552 | [krishnamahendra1234@gmail.com](mailto:krishnamahendra1234@gmail.com) | [LinkedIn](#)

## SUMMARY

I am an Information Technology graduate from Udayana University, Bali. Currently, I am working on several projects for the company I am employed at, focusing on app and web development. I have a strong interest in creating mobile applications, particularly using the Flutter Framework. Additionally, I am responsible for developing and maintaining websites for the employee portal and hiring management system, as well as applications for wholesale and retail management.

## EDUCATION

**Udayana University – Bali, Indonesia** Sep 2020 – Agu 2024  
*Bachelor's Degree in Information Technology*

**PT. Hacktivate Teknologi Indonesia – Jakarta, Indonesia** Agu 2022 – Des 2022  
*Android Java for Mobile Developer SIB Kampus Merdeka*

## EXPERIENCE

**Expat. Roasters** Dec 2024 – Present  
Junior IT Developer  
Creating applications, APIs, and websites

**Expat. Roasters** Sep 2024 – Dec 2024  
Information Technology Intern  
Creating applications, APIs, and websites

## PROJECTS

**Design and Development of a Mobile-Based Outsourcing Information System Using the Flutter Framework**  
The system allows outsourcing clients to search and order services more efficiently, providing a payment solution through a payment gateway to streamline transactions via the application. The system is built using the Software Development Life Cycle (SDLC) with a waterfall model. The system utilizes Go technology as the backend service, Flutter for creating the client application, and MySQL as the DBMS. [Github](#)

**Hiring Management System**  
This system is designed to simplify the recording of applicant data from any platform. It is built using Laravel for both the backend & frontend, with MySQL as the database management system and Bootstrap for styling. [Live](#)
